Dear Mr. Baker:

I received your letter today regarding containers and batteries on or near our lode claims in Millers Canyon.

Please be advised that these are not our property. Although the location of these items is unclear to us we can state unequivocally that we did not place them nor did any of our employees.

Robert Clark and Bret Clark operate independently on placer claims that overlie our lode claims; perhaps these items belong to one of them.

Respectfully,

  
T.J. Clark  
President
